## 2 VENUE

### 2.1 NATIONAL HOTEL OF CUBA

87 years of history, give prestige to the classic by distinction of the hotel group Gran Caribe; THE NATIONAL HOTEL OF CUBA, constituting symbol of history, culture and cubanía. The cannons that integrated the old Battery of Santa Clara and that today are exhibited in the garden were declared Patrimony of the Humanity, in addition, the Hotel is National Monument and was inscribed in the Memory of the World Register.

The National Hotel of Cuba has a privileged location in the heart of Vedado, the most central area of Havana, on a hill located a few meters from the sea. Its unique views offer a beautiful and varied panorama of the city, among which you can admire, the bay of Havana with its classic boardwalk and the ancestral fortress of El Morro.

The magnificence of the National Hotel of Cuba, over these years, has caught hundreds of celebrities from the arts, sciences and politics as Winston Churchill, British Prime Minister, the artists Frank Sinatra, Ava Gardner, Johnny Weismuller, Maria Felix, Jorge Negrete, Marlon Brandon, Robert Redford, Michael Keaton, Danny Globber, Robert de Niro; film directors Steven Spielberg, Oliver Stone, Francis Ford Coppola, Roman Polanski; scientists as the discoverer of the penicillin Alexander Flemming.

The National Hotel of Cuba will be an essential part of our event, sheltering the previous days the information center, technical meetings and secretariat and ending all the events inside their gardens.

### 2.2 MARINA HEMINGWAY

The event will be located at the Marina Hemingway.

Marina Hemingway is the most traditional and emblematic port of Cuba.

The variety of activities, water shows and places of interests that are provide, are enough reasons to decide visit and enjoy this space at its best.

Built between 1956 and 1957, it consists of about 600,000 square meters gained to the sea, thanks to the deepening of 4 navigation channels and the filling of 5 inter-channels that are limited by retaining walls, which were designed for the development of the hotel and tourism activity.

If we are talking about nautical activities in Cuba, we cannot fail to highlight the influence of the Marina Hemingway, since there are numerous nautical events and tournaments throughout the year. Many of them are related to fishing, as the most emblematic and popular of all that receives the name "Ernest Hemingway", this is a world-known tournament that brings together participants from different latitudes.

Marina Hemingway will be the fourth swimming scenario for all distances of the Havana Triathlon in 2018.

**Address:**

Street 248 and 5th Avenue  
Santa Fé, La Habana, Cuba

**Coordinates:**

23° 05' 20" N 82° 29' 38" W

## 2.3 SPORT INFORMATION CENTRE

The Information Center/LOC OFFICE of Havana Triathlon will be located at Hotel Nacional of Cuba from Thursday 22<sup>nd</sup>.

**5.2 TIMING CHIPS**

Athletes will pick up the timing chips in T1, during their check-in procedure.

Timing chip must be worn on the athletes' left ankle.

They must return the chip in the T2 during the check-out.

**5.3 AID STATION**

We will offer the athletes water, energy drink, fruits, gels and bars.

- 1 at the swim exit
- 5 at the MD bike course.
- 5 at the MD run course. 3 at the sprint run course.

## 5.4 CUT-OFF TIMES

**SPRINT DISTANCE:** Maximum time to complete the race is 3 hours.

**MIDDLE DISTANCE:**

## 5.5 TRANSITION 2

Sprint athletes must place their bike in the stands without outside help.

The athletes of the Half Distance will have a volunteer who will be in charge of placing the bike in the stands.

## 6 ACCREDITATION

Organizers will provide to all the Organizing Committee Members, ITU Technical Officials, Athletes, VIPs, journalist, technical staff, court personnel, volunteers, etc. with an official Accreditation Card.

Accreditations will be distributed at the Race Office.

Only accredited people will be allowed to access certain venue areas. Accreditation Cards are mandatory to enter the venue.

Race Office will be open from Thursday at the Hotel Nacional.

## 7 USEFUL INFORMATION

### 7.1 LANGUAGE

The official language in Cuba is Spanish.

### 7.2 MEDICAL INSURANCE

Travelers must present travel insurance with medical expenses coverage.

To comply with this requirement, the traveler must have travel insurance that includes medical expenses or a medical expenses policy, with coverage within Cuba.

The policy must be acquired at the point of origin. Those travelers, who exceptionally do not carry the insurance at the time of arrival, may purchase a policy with insurance coverage and assistance subscribed by Cuban insurers, at the airport, port or marina.

The traveler, who upon arrival in the country is subject to control, must show a policy, insurance certificate or travel assistance card, valid during his stay in Cuba.

### 7.3 VISA

To travel to Cuba you must have your passport in force as well as a visa, which you can obtain with travel agencies.

### 7.4 POPULATION

2,125,000 people live in La Havana.

### 7.5 TIME

La Havana time is (UTC -5:00).

### 7.6 EMERGENCY NUMBER

The emergency phone number in Cuba is: 106.

### 7.7 ELECTRICITY

The electric current in Cuba is 110 V 60 Hz. In some installations it is possible to use 220v current. Electrical equipment equipped with round pins must be brought with a flat plug adapter.

### 7.8 WATER

Tap water is suitable for drinking, but it is recommended to drink bottled water.

### 7.9 TELEPHONE AND INTERNET CONNECTIONS

#### 7.9.1 TELEPHONE

**To call Cuba directly from any country:**

Dial the code for international calls: 00

Dial the country code of Cuba: +53

Mark the code of the area where you want to communicate or  
 Dial the telephone number of the person with whom you wish to communicate.  
 Direct call codes within Cuba:  
 Area Code Havana ..... .. 7

**7.9.2 MOBILE PHONES**

There are "roaming" agreements with most international mobile phone companies.

If your phone operates with GSM in the 900 MHz band (European standard) or with TDMA in the 800 MHz band (American standard) it is very likely that you can use your own phone in Cuba.

You may need to activate your phone with a local company: C\_COM for GSM or CUBACEL for TDMA.

You can also rent a cell phone in Cuba.

**7.9.3 INTERNET**

You can access the internet in the hotels and in the wifi points.

To connect, you must buy a "Nauta Navigation Card" whose amount is 1.50 cuc and sold at the offices of ETECSA, navigation sites and hotels.

**7.10 CURRENCY**

The Cuba's currency is the CUC (Cuban Convertible Pesos)

For the exchange rate please check the official site:

[http://www.bc.gob.cu/Espanol/tipo\\_cambio\\_METROPOLITANO.asp](http://www.bc.gob.cu/Espanol/tipo_cambio_METROPOLITANO.asp)

**7.11 WEATHER CONDITIONS**

Cuba has a moderate subtropical climate with two distinct seasons.

From November to April the dry season is given, which is less humid and somewhat cooler, with a high average temperature of between 21 and 28 °C and an average of low temperatures of between 18 and 24 °C.

In the summer months, the average temperature oscillates around 30°C, with a slightly higher humidity.

In Cuba the sea water temperatures range from 24 °C (in February and March) to 28 °C (from June to October).

Average weather behaviour in February:

|                        |      |
|------------------------|------|
| Air Temperature (°C)   | 22,9 |
| Water Temperature (°C) | 24,3 |
| Sun hours              | 11,4 |
| Rains (mm)             | 38   |
| Days of rain           | 4    |
| % of relative humidity | 77   |

## 7.12 TOURIST INFORMATION

There are 27 Tourist Information Centers (INFOTUR) distributed throughout the country, which provide free information.

## 7.13 DRIVE IN CUBA

You must be 21 years old and have a valid driver's license that gives you one year of experience.

There are several companies that rent cars.

Although we recommend that you do not drive.

## 7.14 PHOTOGRAPHY

You can take photos and videos freely, except in restricted areas, such as military zones.

Museums also have specific regulations.

## 7.15 SECURITY

Cuba is a safe place. The country warmly welcomes the whole family and children are welcome almost everywhere. Logically, some precautions should be taken to protect valuable belongings: do not leave cameras or other valuables unattended in public areas.
